To the Board of Directors  
Habitat House, Inc.  
City, State

We have reviewed the accompanying statements of financial position of Habitat House, Inc. (a nonprofit corporation) as of June 30, 20X7 and 20X6, and the related statements of activities, functional expenses, and cash flows for the years then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of Habitat House, Inc.

A review consists principally of inquiries of organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

Our review was made for the purpose of expressing limited assurance that there are no material modifications that should be made to the financial statements in order for them to be in conformity with generally accepted accounting principles. The information included in the accompanying schedules of unrestricted contributions is presented only for supplementary analysis purposes. Such information has been subjected to the inquiry and analytical procedures applied in the review of the basic financial statements, and we are not aware of any material modifications that should be made thereto.

INDEPENDENT AUDITOR’S REPORT

To the Board of Directors  
Habitat House, Inc.  
City, State

We have audited the accompanying statement of financial position of Habitat House, a not-for-profit organization, as of June 30, 2006, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from Habitat House’s 2005 financial statements and, in our report dated September 6, 2006, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with U. S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Habitat House as of June 30, 2006, and the results of its operations and its cash flows for the year then ended in conformity with U. S. generally accepted accounting principles.
